Fr Paul writes.....

Our youngsters have returned to school, let us pray for their well being and the staff of the school.

Below you will see a coming together of the reopening of our church. You will have seen most of the rules of safety in previous Newsletters or spoken by me over the recent months.

I would like to respond to some concerns which I believe you may have regarding our Celebration of Mass and prayer.

You will know that there are guidelines both from Government and our own Diocese which we have been asked to follow. Each Parish Priest is asked to ensure that the church is 'Covid' to prevent any infection. The physical layout of our church has been adapted for this purpose.

I can assure you that guidelines are being rigorously followed in full and this has been recognised by the Diocese.

Part of this was to limit the amount of time groups remain in an area. When we opened church for the celebration of Mass, we had no idea how many people would be coming and so we were planning for about half an hour in church.

We were also asked to ensure social distancing in the sanctuary area. This means rearranging the area and limiting movement within the sanctuary.

I am indeed anxious to include readings from the Old and New Testaments, but in order to do so we would need to ask Readers if they would be prepared to take part in the current situation. Hopefully, some will be willing and so we shall be able to include more readings and prepare the sanctuary accordingly. I am grateful to those who have volunteered to be Stewards as they play an important part in our safety procedures.

The times of Masses have also been amended to allow a reasonable time for cleaning and preparing the church before and after Mass. To start Mass at 8.45 am would mean asking Stewards to be at church for 8.15 am which I feel would be unreasonable. The same goes for the 11 o'clock Mass. Again, we are allowing time for these preparations.

As regards concerns about consecrated hosts being returned to the ciborium possibly by unsanitised hands, it would be a mistake to think that I would approach the celebration of Mass without thoroughly cleaning and sanitising my hands. This of course happens in the Sacristy and not in public view. Also, I or one of our Deacons sanitise our hands and put a mask on before administering Holy Communion so please be assured in this regard.

I want to assure you that, as your Parish Priest, I am making every effort to ensure your safety and the safe celebration of Holy Mass.

It is through the celebration of Mass that we strengthen our unity with Our Lord and with one another. It is He who binds us together in charity and compassion. Please say a prayer for our parish Deacons and for me as we try, through the Lord's Word as he opens the Scripture and as we all greet him in the 'Breaking of Bread'.

Please keep too our House bound parishioners in you daily prayer. I too keep you in my prayers and at the celebration of Mass. **Fr Paul**

TRACK AND TRACE IN CHURCHES – This is still under review by the Bishops about how it will be done and when it will start. In the meantime, if I could ask you to write the following information on a piece of paper and bring with you when you or you and your family come to church. The full details are only needed the first time you visit and complete a form. After that, date, time and name and number will be sufficient.

Date and time of mass attended	
Full name or names in your group	
Address inc postcode

Stewards are still needed to ensure we can open for private prayer or weekday and weekend Masses. If you would like to volunteer, and you are under 70, are not pregnant and do have any underlying health conditions then please contact Fr Paul or Deacon Jim via their parish e-mail or Jayne on the parish office e-mail. Reflection – by Tony Topping

PRAYER, PENANCE AND MEDITATION

Father, son and Holy Spirit Heaven sings your praise Mary magnifies your name Through eternal days.

I listened to a beautiful homily about Our Lady and the Magnificat. The priest interpreted the word as to magnify, to enlarge, to make greater; "My soul magnifies the Lord". At first, I was puzzled. Surely that was a contradiction for how can a being that is Omnipotent, almighty be made greater and how can we, mere human beings make God greater than he is? But then, as I have said once before, I think that God is a helpless God. His love is a love beyond our understanding; a love that is unconditional and freely given. He wants us to love him in a similar way but he cannot force us. He cannot make us love him for that would take from us the great gift he gave to us, the choice to love him or reject him. That is the choice we have to make. God loves everyone and wants everyone to be saved, but that depends on free will. The catechism teaches us that God "has created the human person to be free and responsible; And he respects our decisions. Therefore, it is the human person who freely excludes himself from communion with God if at the moment of death, he persists in mortal sin and refuses the merciful love of God",

I do not believe that we can literally make God greater but we can help him in his plan to bring fallen mankind back to him. Mary, by her acceptance of God's request that she become the mother of Jesus, made salvation possible. Her acceptance made God's creation, mankind, greater for only Jesus' birth, life, death and resurrection could atone for man's initial rejection of God. In that sense, Mary magnifies the Lord. We too can magnify the Lord by turning to him with an open and contrite heart and a firm spirit of amendment.

During this dreadful pandemic, scientists have been desperately searching for a solution. They have been studying the virus under microscopes which enable them to see and examine what cannot be seen by the naked human eye. They have been testing and experimenting, trying to find a vaccine. I think that Our Lady is enabling us to find an answer to our human weaknesses and failings. Since the assumption of Mary, body and soul, to Heaven, she has appeared in numerous apparitions urging us towards prayer and meditation. She is like a microscope in reverse, not making God bigger but showing us aspects of God, which help us to see him more clearly, follow him more closely and love him more dearly. She has shown us the antidote to sin, prayer, penance and meditation.

When Our Lady appeared to the children at Fatima in 1917, she clearly foretold the events of the 20th century; the end of WW1 but warning us of another great war, the rise of communism and the persecution of the church. She told the children that these things could be prevented if we stopped offending God and prayed earnestly to him. I think, perhaps, during WW2 and for a time afterwards, people did take notice but soon the world became greedy and selfish again. I think that during this crisis, we have begun to realise the need for change. We must determine to keep in mind the good that has come from it and go forward with hope and the determination to bring about a new world.

Through the children of Fatima, Our Lady urges us to pray the rosary and to renew and practice the custom of celebrating the first Saturdays of five consecutive months. Because of the state the world is in, I think it is time to start listening to her.

for your children to colour and complete!

"If your brother sins against you, go to him and show him his fault. But do it privately, just between yourselves. If he listens to you, you have won your brother back. But if he will not listen to you, take one or two other persons with you, so that 'every accusation may be upheld by the testimony of two or more witnesses,' as the scripture says. And if he will not listen to them, then tell the whole thing to the church. Finally, if he will not listen to the church, treat him as though he were a pagan or a tax collector.
