### THIS IS WHAT HAPPENED AT... St Winefride's Primary School:

Key Stage 2 children joined the parishioners of St Winefrides on Thursday morning to celebrate the Ascension of Our Lord.

On Friday afternoon the whole of St Winefrides Primary School attended church to honour Mary, the Mother of Jesus, with a May Procession. The children celebrating their First Holy Communion this year took pride of place in the Procession.

Finally, we would like to wish "Good Luck" to all the children sitting their SATS next week.

### Pope Francis speaks on Baptism

Pope Francis spoke about the sacrament of Baptism on Wednesday, emphasizing the importance of the Catholic practice of baptizing infants, since the grace of the Holy Spirit helps them to grow in virtue.

"Why baptize a child who does not understand?" the pope asked, "When we baptize a child, the Holy Spirit enters that child, and the Holy Spirit makes... the Christian virtues grow in that child, who will then flourish."

Though we hope that when a child grows up he or she will understand and desire Baptism for themselves, to withhold the sacrament from a child "means not trusting in the Holy Spirit," he said.

"We must always give this opportunity to everyone, to all children, to have inside of them the Holy Spirit that will guide them throughout their lives. Do not forget to baptize children!"

Pope Francis spoke about infant Baptism during his weekly general audience in St. Peter's Square. He also emphasized that the graces of the sacrament are not something one earns through understanding, intelligence, or worthiness, but as pure gift.

"Nobody deserves Baptism," he said, "[it] is always a gift for everyone, adults and new-borns. But as happens for a seed full of life, this gift takes root and bears fruit in earth fed by faith."

Baptism also, by the Holy Spirit, "immerses us in the death and resurrection of the Lord," the pope said. In the sacrament the "old man," dominated by sin, gives way to the "new man," who has been recreated in Christ Jesus.

"But for us Christians it must not escape that if the body is immersed in water, it is the soul that is immersed in Christ to receive forgiveness from sin and shine with divine light," he stated.

He quoted St. Paul's reminder to the Christians of Rome: "Or are you unaware that we who were baptized into Christ Jesus were baptized into his death? We were indeed buried with him through baptism into death, so that, just as Christ was raised from the dead by the glory of the Father, we too might live in newness of life."

Furthermore, Pope Francis spoke about how Baptism, through immersion in Christ, also makes us members of Christ's body and his mission in the world, which is the Church.

"We baptized are not isolated," he said, "the same life, that of the Holy Spirit, flows from Christ to the baptized, uniting them into one Body, crested by holy unction and nourished at the Eucharistic table."
