From Fr Francis: How we welcome each other, visitors and new parishioners to our church is one of the elements of creating a vibrant, inclusive and an amazing parish. I am looking to develop our Welcoming Ministry here at St Winefride's.

Our stewards have been working tirelessly, helping to keep our church Covid-safe and welcoming people to the church during these difficult times for which we are so very grateful. As we have seen greater normality returning in recent times, this will be a good time we gradually develop a Welcoming Ministry and I very much encourage our stewards to help us create a Welcoming Ministry Team. Their cheerful smiling presence has been such a positive influence on our parish and will help returnee parishioners, visitors and newcomers to feel part of our parish community. I also would like to extend the ministry to especially welcome families coming for baptism, couples getting married and for our youngsters and their parents preparing for first forgiveness, communion and confirmation. If you are interested in joining this ministry and share your ideas and experience which are key to building back a vibrant and inclusive parish, please do let me or Jayne in the Parish Office know.

Recently Deceased: On Thursday we learned the sad news that Alex Hughes, son of Patrick and Marie Hughes passed away. Please pray for the response of the soul of Alex, and remember Patrick, Marie and their family and friends in your prayers at this difficult time.

Wedding news – Congratulations to Annie Taylor and Daniel Keane who were married here at St Winefride's today, Friday 3rd September. We wish them a very happy life together.

Shoe box appeal: An update on the items needed for the shoe boxes. Dorothy sends the boxes to Teams4U and they will accept toothbrushes and tooth paste which Samaritans Purse do not. Teams4U are based in Wrexham and were the originator of the Shoebox Scheme. Thanks for all your help. <https://teams4u.com>

Health & Safety: In view of the regulatory requirement that falls on the Health and Safety, the Risk Assessments for services at St Winefride's are still valid and we need to continue the good practice we have in place. We ask everyone coming to Mass to continue using the hand sanitiser, the face covering and social distancing for the moment for the continued safety of us all.

Prayer Breakfast: A reminder of the Prayer Breakfast tomorrow, 4th September 2021 will NOT be a Zoom meeting. Parkgate & Neston URC are pleased to be able to have an 'in person' Prayer Breakfast for the first time! It will be held in the URC Main Hall (entrance Moorside Lane) at 8.30am on Saturday 4th September. Rev. Hilary Smith will be leading.

The walk sets off from the United Reformed Church Hall (Moorside Lane, Neston) at 9.00am. For more information follow the link. <https://www.aboutmyarea.co.uk/site/content.asp?area=484&story=332952>

Reflection: Tony Topping has compiled a reflection. It will be available to view on the website in a day or two.

SPUC update: At the end of August John Smeaton, the Chief Executive of SPUC, has retired after 43 years of employment by SPUC. John had done a fantastic job leading the Society and has been an inspiration to us all at ground roots level. He is held in high esteem not just by people in this country but by many people around the world whom he as inspired with the pro-life message. It may seem that nothing has been achieved since 1978 but the tide of Abortion and Euthanasia has been held back and through education, including educating our MP's about the reality of abortion more and more people including many many young people are becoming pro-life.

We wish John a long and happy retirement with his wife Josephine and his children and grandchildren.

Thanks: A very big thank you to John Kane who has given a great deal of his time in helping us with health and safety in the parish especially during the pandemic. John has decided to resign from his position as health & safety officer. Also thank you to Kathleen Roberts who has been involved with safeguarding for St Winefride's and has also decided that she would like to step down. If anyone would like to help with the health & safety at St Winefride's or be involved in safeguarding, then please contact Fr Francis or Jayne in the office.

CCRS (Catholic Certificate in Religious Studies) begins this month with in-person classes on Thursday morning at St Columba's Chester. There is also an online learning option, with an in-person seminar in Wythenshawe or Birkenhead. This is an excellent course for anyone who would like to learn more about our faith or lead in a school or parish. Please register in advance - information is available from ccrs@dioceseofshrewsbury.org

Website: The home page of the website is currently going through some changes. Please do take a look. Thank you to Karl Ankers for organising these changes. The Children's Liturgy: This will now be available to download and then print via the St Winefride's website.

Church Cleaning: Thanks to Liz Dolley and Peter Higgins for cleaning the Church this week, prior to the wedding of Tim & Rhian this Saturday 11th September.

Piety Stall: We need a new volunteer/ volunteers to manage the piety stall. It is time to replenish the stock and also order greeting cards and other items for Christmas and New Year. Any takers please contact Fr Francis or Jayne in the office. The late Margaret Davies did a fantastic job for many years looking after the piety stall which we were very thankful for. May her soul rest in peace.

First Holy Communion: If your child was due to take their first holy communion last year or this and missed because of the pandemic, then please contact Fr Francis or the parish office as we are hoping to start a program along with St Winefride's school.

Offertory collections: Thank you for your continued support by donating at Mass, via standing order or online giving.

Health and safety: May we ask everyone coming to the Mass or other services to continue using the hand sanitiser, the face covering and social distancing for the moment for the continued safety of us all.

A message from Father Francis.... I believe one of the greatest obstacles or stumbling block to our faith is the fact that God's real presence is hidden in the ordinary realities of our daily lives. It is only by faith that we can look at the ordinary and see beyond. Our faith does not change the reality but it gives us a new perspective on reality. It is all the more true when we come to reflect on the Eucharist.

We find in today's gospel an invitation to move forward on our journey of faith when Jesus declares that he himself is the bread of life, the bread that came down from heaven. And whoever comes to him will never be hungry.

If there is one thing that we all share it is the same hunger – hunger for love, acceptance, recognition, relationship, etc. But there is one hunger that underlines all our other hungers – it is the hunger for eternal life. Jesus tells us plainly that he himself is the bread of life who will satisfy every hunger and it is a promise fulfilled in the Eucharist.

I was so happy to hear from some of our parishioners how delightful they are as the Church is now open for the Weekday Mass and they can also spend some time before the Blessed Sacrament in preparation for the Mass.

Thank you for all you do and I hope that you all have holidays arranged and I wish you all a refreshing time with family and friends in these coming weeks.

We have received a letter from Daniel Turner, Right to Life UK and share the information with you below.

Dear St Winefride's Parish

Firstly, Right To Life UK is very pleased to announce that Cardinal Vincent Nichols, Archbishop of Westminster, has become a patron of our organisation. We are very grateful to His Eminence for his support of our work.

Secondly, we would like to congratulate Lord Alton of Liverpool for being [this year's recipient](#) of The Westminster Award for Human Life, Human Rights, and Human Dignity. This award recognises extraordinary and notable work and achievements that safeguard the dignity and right to life of human beings. We are grateful for the many decades he has given to the protection of lives and for the inspiration he is to all those in politics and positions of influence.

Lastly, we would like to thank you for all your prayers and support over the past few months. You will have likely heard of a [recent parliamentary win](#), wherein an attempt to hijack the UK Government's flagship Police, Crime, Sentencing and Courts Bill with two extreme abortion proposals failed. This would not have been possible without the support of you and your congregations. By contacting your MPs and sharing your disapproval of these amendments, it was made clear to MPs that these amendments lacked the support of their constituents and so were prevented from becoming law, leading to the likely saving of many lives.

In light of all this, we continue to reach out in request of prayers from both yourself and your parishioners. We'd love for you to include our intentions however you feel is most appropriate. I have written some suggested prayers that could be used over the coming month:

1st - “We pray for all unborn children diagnosed with disabilities, we pray for protection for them and their mothers from the pressures of society to have an abortion, and that they would instead experience overwhelming support by all who surround them. Lord hear us”

8th - “We pray for all women going through unexpected pregnancies, that they would experience peace and support in this circumstance, and recognise the many blessings that motherhood brings. Lord hear us”

15th - Yesterday we celebrated the feast of St Maximilian Kolbe, patron saint of the pro-life movement. On this feast of the Assumption, we ask for his intercession, along with Our Lady's, as we the church seek to support all pregnant mothers through their pregnancies, and that we would become models of support and charity to all in society. Lord hear us.”

22nd - “We pray for the families and friends of pregnant women. That they would recognise their responsibility to care for both the mother and child, and that they would shower them with love and support through the journey of pregnancy and beyond. Lord hear us”

29th - “We bring to mind the words from James in our second reading and his call to look after those in need. We pray that, as a church, we would improve how we look after those who are experiencing difficulty in their pregnancies and provide the care and support they need in welcoming their child to the world. Lord hear us”

Thank you again for your prayers and support.

Kind regards

**Daniel Turner
Right to Life UK**

Received from a parishioner this short prayer for our parish:

Adapted from the words of Pope Francis

Let us invite Jesus into our parish life.

Let us hand over our fears to Him who can conquer them.

Like the disciples we will discover with Him on board our life-boat
there will be no shipwreck.

He brings serenity into our storms, because with God life and love never die.

May it always be so for our parish.

In Jesus' name Amen.

Please remember in your prayers the family and friends of Robert Watson who was buried earlier in the week. Robert is pictured here with his wife Betty.

VOLUNTEERS – We would like to start the cleaning rota again and would ask that if you are still wanting to be part of the rota, that you contact Jayne in the office by phone (when activated) or parish office e-mail. We currently have two groups that have already started a rota.

GRAVEYARD – There is a large red bin marked Ash Waster Services in the graveyard which is for use for anyone visiting the graveyard. Generally it is for putting in weeds, unwanted grass or plants from the grave, plastic from flowers, dead flowers etc.

The food bank will be back next here this **Thursday 5th August**. Thank you to those parishioners who continue to bring items for the food bank. It is greatly received by the volunteers who come fortnightly to collect it.

The foodbank have e-mailed to say how much the donations of food is helping those people who are having to depend on the foodbank every week.

LIVE STREAMING - Please note that camera images and sound of services are now transmitted on the internet but not recorded. This is to help us share our faith with others who are unable to attend in person. If you have any concerns about the use of live streaming during a service or mass, then please contact the office

From Fr Francis: As we are beginning to see more of a return to normality in terms of sacramental life of the Church, it is also a good time to gradually revive our various church activities, groups and rotas. Could you please give your names to myself or Jayne in the office and I look forward to meeting you in the coming weeks.

Music: Thank you to Louise for organising the music for the weekend Masses.

Visiting families: Whenever a priest comes to a new parish it's a tradition to visit the families, especially the sick. During the summer, it would be a good opportunity to visit parishioners, which gives Fr Francis a chance to learn more about the parish and people who make up the family of St Winefride's. If you would like a visit, then please contact the presbytery by phone or e-mail.

Collection: Last Sunday's collection was **£367.53**. Thank you for your kind generosity and also our standing order parishioners and those who still give online.
Thank you to W Penfold for continuing to count the money each weekend.

 with the Holy Spirit,
 in the glory of God the Father. **Amen.**

The Apostles Creed

I believe in God, the Father Almighty,
 Creator of heaven and earth,
 and in Jesus Christ, his only Son our Lord,
*(At the words that follow, up to and including
 'the Virgin Mary', all bow)*
 who was conceived by the Holy Spirit
 born of the Virgin Mary,
 suffered under Pontius Pilate,
 was crucified, died and was buried;
 he descended into hell;
 on the third day he rose again from the dead;
 he ascended into heaven, and is seated
 at the right hand of God the Father almighty;
 from there he will come
 to judge the living and the dead.

I believe in the Holy Spirit,
 the holy catholic Church,
 the communion of saints,
 the forgiveness of sins,
 the resurrection of the body,
 and life everlasting.
Amen

From Fr Francis: In the Gospel of today we hear the conclusion of the "Bread of Life discourse" and this section of John's Gospel is sometimes called the "crisis of Eucharist". Jesus had just delivered the central teaching concerning the gift of his body and blood as a source of life to all, and how we must eat his flesh and drink his blood to have true life within us. If that teaching were only symbolic, it would not have offended those followers as St John tells us that some of those who listened to Jesus turned away at this point and followed him no longer.

Belief in the Real Presence, that bread and wine become the Body and Blood of Christ, presents a moment of crisis for some Christians in every age. We are challenged by Jesus to renew our faith in the Divine Presence, Body and Blood, Soul and Divinity, in the Holy Eucharist just as he challenged his chosen disciples to reaffirm their faith and trust in him.

Spiritual Communion is a Christian practice of desiring union with Jesus Christ in the Eucharist even when one is unable to receive Our Lord sacramentally because of distance or for some other reason.

Act of Spiritual Communion

My Jesus, I believe that you are present in the Most Blessed Sacrament. I love you above all things, and I desire to receive you into my soul. Since I cannot at this moment receive you sacramentally, come at least spiritually into my heart. I embrace you as if you were already there and unite myself wholly to you. Never permit me to be separated from you. Amen. *(St Alphonsus Liguori).*

From Fr Francis: As the summer break comes to an end, for many people it is a time of new beginnings as we prepare for a new school year, and it is especially true for our families with children and young people. Our schools have been a community of love and inspiration and the gospel message for today is timely as it places great emphasis on the heart, the goodness of the person.

St John Bosco has rightly said that education is a thing of the heart and Jesus is interested in the stirrings of the heart as the source from which all our thoughts, words, and deeds flow. And we are all in the school of learning to grow in love as we grow in wisdom and experience.

Funeral Service: We pray for the repose of the Soul of Sylvia Maureen Wooldridge who passed away recently. Her funeral service will take place at Landican Crematorium Centre Chapel on Friday 3rd September at 12noon. We offer our deepest condolences to her family and friends. May her soul rest in peace.

Telephone Number: Please note change in telephone number to **0151 364 3191**. As announced earlier we have been unable to keep our existing number. Apologies for any inconvenience this may cause.

Reflection on the Sunday Gospel by Fr Stephen Coonan

Jesus returns to his home-town, is rejected by his relatives and says, "A prophet is only despised in his own country, among his own relations and in his own house." A prophet speaks on behalf of God, as God's messenger and on behalf of those who have no one to speak for them, giving a voice to the voiceless, for example the widow, the orphan, the stranger. A prophet is not a **fore-teller** but a **forth-teller**, who

proclaims with insight the evils that afflict society and can ultimately spell its downfall. Jesus proclaims the nearness of God's reign, urges people to take a second look at their lives and embodies God's mercy by associating with the marginal and suspect people of his day. Jesus' rejection by his family is mentioned by all the gospels. None of his named relatives are among his first disciples. Only John mentions that Jesus' mother is at the cross. Jesus did not fulfil their desire for a nationalistic messiah who would drive out the Roman occupiers but proclaimed instead forgiveness of enemies and acceptance of non-Jews. Because their minds are closed he could work no miracle there.

Please remember in your prayers

Please pray for the response of the soul of Alice Eeles who died on the 22nd June. Alice and her late husband Trefor (who died in 2003) were popular visitors at the Brewers Arms and were often seen walking along Leighton Road. Alice and Trefor generally sat in church near where confession took place. They both were fundraisers and SPUC committee members. Please remember their four children in your prayers. Both Alice and Trefor will now be reunited, may they rest in peace. Alice's funeral is this Wednesday, 9.00am at St Winefride's, followed by a cremation at Blacon.

During the week the funerals of Kathleen Stevenson and Theresa "Sandra" Brennand took place. Please remember them all in your prayers.

SAVE NESTON'S POST OFFICE

Sadly the current operators of Neston Post Office can no longer afford to keep it open and it will be closing in early July.

It is a disgrace that a town of Neston's size will be without a Post Office so this petition, started by MP Justin Madders calls on the Post Office to put in sufficient support to enable it to remain open until new operators can be found. Please click on the link below to sign it.

This **Saturday 3rd July** 18 children will make their First Holy Communion at a service at St Winefride's church at 10.00am. Due to covid restrictions it will only be the agreed number of guests attending for each child but you are welcome **to watch the children via live stream.**

CAN WE ASK FOR YOU TO REMEMBER ALL THE CHILDREN IN YOUR PRAYERS.

The children have been asked if they will attend Mass over the weekend in their special holy communion outfit. Hopefully, we will have some pictures of the day for you to see next week.

Thank you for your kind generosity for the "Day for Life" collection. An amazing **£645.00** was raised. Fantastic response.

The amount collected for Peter's pence should be available next weekend.

Doin' it 4 Dan

World Record & Water Aid Fund Raiser

Doin' it 4 Dan is a World Record attempt in memory of Heswall OLSJ parishioner, Dan Miller who sadly passed away in June last year, aged 43.

In the late 70's, early 80's Dan along with his 4 brothers also attended St Winefride's primary school before they moved to Heswall. I am sure many will remember the Miller family.

28 of Dan's teammates and friends from Hoylake Rugby Club will be taking on the mammoth challenge of breaking the World Record for the longest touch rugby game, which currently stands at 30 hours 3 minutes and 11 seconds. All have been hugely affected by this tragic loss and want to raise money for WaterAid, a charity Dan greatly supported.

The World Record attempt will take place on **Friday 16th July 2021**, at Hoylake Rugby Club, starting at 8am. To donate to this great cause please visit Dan's Just Giving page here:

<https://www.justgiving.com/fundraising/wateraid4dan>

On Monday 19th July at 7.30pm, there will be a Mass at St Werburgh's, Chester and the parishioners of St Winefride's are invited to attend. The Mass is to commemorate the martyrdom of St John Plessington. It is 2 years since the service was held at Deacon Jim and Carolyn's home in Puddington. If you would like any further information either contact myself in the office or the St Werburgh's website nearer to the date.

Next week is the anniversary of both Mike and Jim becoming a Deacon here at St Winefride's. Mike in 2013 and Jim celebrating his second year. We are a very lucky parish to have two Deacons.

“Online giving to the Parish”

For those Parishioners who normally give in the collection at Mass and wish to help the Parish at this time, an online donation page, to allow you to donate to the Parish, has been added to the Parish website. There is a new Online Donation button on the home page of our website. By clicking on it, it will take you to the Online Donation website run by **InvestMyCommunity**.

Currently the average weekly standing payments orders received are £423 and loose plate/offertory envelopes weekly average for June was £275.50.

If you would like to start paying contributions to the church by standing order and possibly gift aid your contributions, then please contact Jayne in the office. Thank you.

As mentioned previously, we are now hoping to start delivering the offertory envelopes that have not yet been collected for this tax year. Do let me know if you DO NOT require your box.

This year's Sea Sunday takes place on the weekend of the 10th and 11th July and we will be having a collection here the following weekend, 17th/18th July. However, there will be Stella Maris envelopes to take home next weekend and return the following week.

LIVE STREAMING - Please note that camera images and sound of services are now transmitted on the internet but not recorded. This is to help us share our faith with others who are unable to attend in person. If you have any concerns about the use of live streaming during a service or mass, then please contact the office.

Children's Sunday Liturgy Page. Parents, please feel free to print off the page for your children to colour and complete!

Welcome: Today we hear how Jesus was teaching with great wisdom, but the people found it hard to believe in him. Let's listen and find out why.

Opening prayer: God in all things, help us to recognise your Son Jesus in all people – those we know well and those who we will never meet but who are part of our global family. Amen.

But first, I would like to take this opportunity to thank Fr Paul for the service he has given to St Winefride's church over the last 5 years and wish him all the best, following the announcement of his retirement last weekend. We will continue to pray for him.

Fr Francis comes from the Southern State of India, Kerala and joined the Society of St Paul in 1983. The Society of St Paul, often known as St Pauls or Paulines, was founded by Blessed James Alberione in Italy and is engaged in the mission of media apostolate, especially, publishing and media education.

After completing 12 years of secular and religious studies in Bangalore, Allahabad, Mumbai and Delhi he was ordained in 1995. His first assignment after my ordination was as the Rector/Master of our seminarians doing their 3-year Bachelor's Degree course.

From 1999 he worked as the Director of Import and Export division of St Pauls and regularly attended trade fairs overseas, especially to meet Catholic Publishers of Europe and North America to procure, especially, books in areas of philosophy, psychology and theology for the seminaries in India and to get copyrights for publishing books in India.

In 2004 he moved to St Pauls in Australia and did his Masters in Business Administration and also served as Regional Vicar and General Director of their apostolic activities there. In March, 2014 he came to London as the Superior of the Community and Managing Director of St Pauls, co-ordinating its publishing and multi-media centres in UK and Ireland. In the last 3 years he was also involved in the pastoral service of Salford diocese.

Please remember in your prayers

Please pray for the response of the soul of Robert Watson who died on the 27th June at the Countess of Chester Hospital. Robert was 95 years old. Please remember in your prayers his wife Elizabeth.

Robert was a very keen gardener and loved growing chrysanthemums. He was also an avid golfer until he was around 90. He also attended Mass regularly every Sunday, but not so much in the last few years due to his health.

Robert's funeral will take place on Tuesday 27th July at 10am.

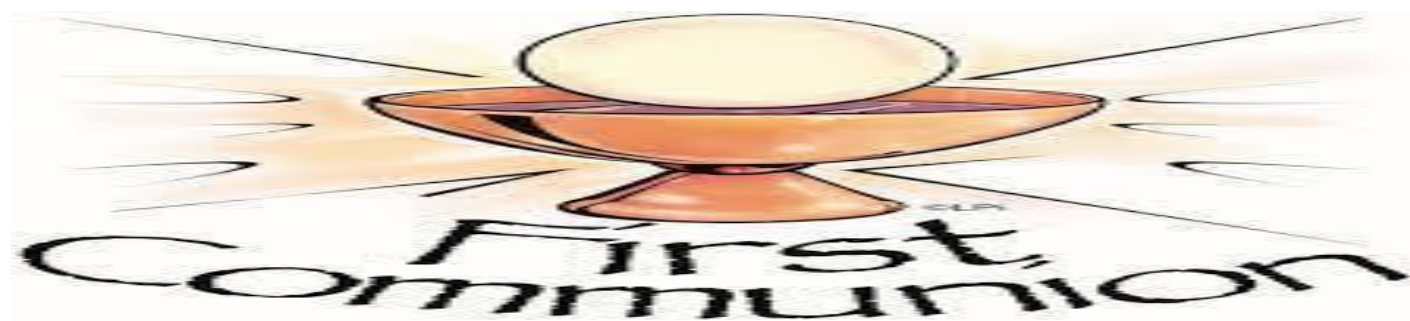

This year's Sea Sunday takes place this weekend 10th and 11th July. We are having our collection here at St Winefride's next weekend, 17th/18th July.

Sea Sunday is when the Church prays for all those who live and work at sea. The Stella Maris is the Catholic Church's official maritime welfare agency. It supports seafarers both practically and spiritually.

This weekend there will be Stella Maris (Apostleship of the Sea) envelopes to take home and return to church next weekend, as mentioned in last week's newsletter.

LIVE STREAMING - Please note that camera images and sound of services are now transmitted on the internet but not recorded. This is to help us share our faith with others who are unable to attend in person. If you have any concerns about the use of live streaming during a service or mass, then please contact the office

Message from St Winefride's school; Last Saturday morning our Year 4 and 5 First Holy Communion group received the sacrament. 🙏 The wet weather didn't spoil the joy and excitement of the service and Mass and it was wonderful to see all our families come together (in accordance with Covid-19 guidelines) and experience such a memorable occasion. We would like to thank Canon Stephen Coonan, Deacon Jim, Mrs Ormes, Mrs Davies, Mrs Bannister, Mrs Roberts and all the stewards and volunteers from the Parish who have organised and supported over the past months, enabling for the event to take place. Also the families and children, we are truly blessed to have such a wonderful school and parish community. Please visit our Facebook page to see more photographs from the service. <https://www.facebook.com/Stwinefridesprimary>

On Monday 19th July at 7.30pm, there will be a Mass at St Werburgh's, Chester and the parishioners of St Winefride's are invited to attend. Thank you for your kind generosity to the Peters pence collection which was at the end of June. The amount raised was £70.95.

Doin' it 4 Dan

World Record & Water Aid Fund Raiser

Doin' it 4 Dan is a World Record attempt in memory of Heswall OLSJ parishioner, Dan Miller who sadly passed away in June last year, aged 43.

In the late 70's, early 80's Dan along with his 4 brothers also attended St Winefride's primary school before they moved to Heswall. I am sure many will remember the Miller family.

28 of Dan's teammates and friends from Hoylake Rugby Club will be taking on the mammoth challenge of breaking the World Record for the longest touch rugby game, which currently stands at 30 hours 3 minutes and 11 seconds. All have been hugely affected by this tragic loss and want to raise money for WaterAid, a charity Dan greatly supported.

The World Record attempt will take place on **Friday 16th July 2021**, at Hoylake Rugby Club, starting at 8am. To donate to this great cause please visit Dan's Just Giving page here:

Welcome: Today we hear how Jesus sent his disciples out to spread his word, but even though they had to travel far and wide, Jesus told them not to take any of their belongings with them. Let's think a bit more about this...

Opening prayer: God of truth, inspire us to share all that you have given us and to be friendly and welcoming to all people. Amen.

A message from Father Francis.... Thank you for the warm welcome I have received since joining you in Neston. I have met some of you already and I look forward to meeting you all personally over the coming weeks and months. You are a great community and it is my joy and privilege to be with you living, sharing and celebrating our faith together and grow in the love and presence of God.

We have been looking forward to the fourth stage of the roadmap out of lockdown and we are all pleased that we are beginning to see more of a return to normality though we still need to ensure that we are complying with the relevant guidance to keep everyone safe and well. Therefore, I would request you for your continuing kindness and understanding for all as we emerge from the pandemic, having established a very good practice in the use of our church.

I am sure you are all looking forward to your summer holidays with your dear ones. Today's Gospel we see a tension between the need for rest and the necessity of reaching out. Gospel highlights Jesus' original plan for the apostles that underlines the importance of spending time apart and the value of rest and recovery. But things didn't work out as planned as people followed him and Jesus did not disappoint them. The gospel situates them side by side in order to show that both would complement each other in our lives. Caring is at the heart of the Gospel. We are all called to be a caring community. Caring is difficult when we have to set aside our feelings and plans but the Lord shows the way.

Thanks and God bless.

Fr Francis

This weekend is the collection for the Stella Maris. Envelopes were given out last weekend and hopefully you have brought them back this weekend.

If you can just place the envelope in the offertory basket on your way out. If you don't have an envelope from last week, then any envelope will do, just mark it Stella Maris collection. Thank you.

Sea Sunday is when the Church prays for all those who live and work at sea. The Stella Maris is the Catholic Church's official maritime welfare agency. It supports seafarers both practically and spiritually.

The following insert was in the Neston Parish newsletter and was by Reverend Alan Dawson and I felt it was important to share with our parishioners as this is such a growing problem.

JUST SAY NO !!!

Recently, watching an early morning magazine programme on BBC1, it was highlighted how many scams go on these days. Many of these purport to be genuine companies making contact by email and asking you to click on a link. DON'T do it! Only if you really feel it is necessary to make contact with the company do it by a totally different route. The contact details should be available on their public website.

Secondly, scams also come by telephone. Do not respond to anyone unless you know them already. Again, if felt necessary, ALWAYS make contact with the company through a different previously known route. Especially if the contact is guiding you away from doing so!

A current scam purports to be from an organisation sounding very legitimate e.g. Action Fraud or a trusted company such as BT Open Reach. The scammer may have the most genuine, kind and trusting voice you have ever heard, but not always so. Just say NO!! and put down the phone. Wait - and only if you feel it absolutely necessary to make contact, do so through another route. And if possible, on a different phone.

Scammers often do not put their phone down, thus keeping the line open pretending to be the person you call next. You need to switch off and unplug your phone before using that phone again.

I do not like giving this message but with the number of scams tried on parishioners we all need to be alert to the possibility and reality that it does happen and could happen to YOU.

So, if you have a call/email from an unexpected source, think SCAM. Use another trusted route if you really want to follow up. The early morning BBC magazine programme regularly highlights scams so be informed. **Most of all... Just say No !!!**

Let's fight back with good (practice) !!!

Yours In Christ, *Alan*

CATHOLIC BISHOPS' CONFERENCE OF ENGLAND AND WALES

Statement from the Catholic Bishops of England

Sunday – it is our Day¹

On 19th July, the current legislative powers which assist the mitigations against the covid-19 virus transmission will be rescinded by HM Government. Nevertheless, there will be an encouragement to personal and corporate responsibility in this area; as the Prime Minister said in his most recent statement “The pandemic is not over.” Even without this legislation in place, the Church in England and Wales will be adopting a cautious approach to capacity and activity within our buildings, especially at corporate acts of worship.

We are mindful of the certain fact that the Covid-19 virus is still circulating in society. Vaccines provide genuine protection against the worst effects of the virus, yet we recognise the legitimate fear on the part of some who otherwise desire to gather for Holy Mass. It is our continuing judgement, therefore, that it is not possible at the present time for all of the faithful to attend Mass on a Sunday thus fulfilling their duty to God.

It is hoped that it will be possible for all Catholics in England and Wales to fulfil this most important Church precept, that of the Sunday Obligation, by the First Sunday in Advent 2021.

In the meantime, all Catholics are asked to do their best to participate in the celebration of the weekly Sunday Mass and to reflect deeply on the centrality of Sunday worship in the life of the Church.

In April, following our Plenary Assembly, we offered a reflection on the experience of the extraordinary long months of the pandemic. It was titled *The Day of the Lord*. We also began to look at the way forward. We spoke about the important invitation to restore the Sunday Mass to its rightful centrality in our lives. We asked for a rekindling in our hearts of a yearning for the Real Presence of the Lord in the Eucharist, as our response to the total, sacrificial love that Jesus has for us. We said: “The Eucharist should be the cause of our deepest joy, our highest manner of offering thanks to God and for seeking his mercy and love. We need to make it the foundation stone of our lives.”

May this continue to be our striving during these coming months as we journey back to the full celebration of our Sunday Mass and our renewed observance of *The Day of the Lord*.

Welcome: Today we hear how Jesus and his disciples wanted to get away and spend a little bit of time by themselves. But it didn't quite work out like that. Let's listen and find out what happened instead...

Opening prayer: God of all, you are always there for us. Help us to be there for others when they need us and to treat all people with compassion and respect. Amen.

A message from Father Francis.... Pope Francis has established a World Day for Grandparents and Elderly People which will take place on Sunday 25th, the nearest day to the Feast of Ss Joachim and Anne, the grandparents of Jesus, which is on Tuesday 26th. Grandparents and Elderly have always played a great role to foster, nurture, educate, promote and pass on faith to successive generations. The significance of grandparents and elderly for young people's faith has potentially never been greater. Today we remember with gratitude all our Grandparents and Elderly People who have influenced us in our faith formation and we keep them all in our prayers.

In view of the new regulatory requirement that falls on the Health and Safety, the Risk Assessments for services at St Winefride's is still valid and we need to continue the good practice we have in place. Can I ask everyone coming to Mass to continue using the hand sanitiser, the face covering and social distancing for the moment for the continued safety of us all. I would now encourage you to come to weekday Mass if you can't make it on weekends or spend some time for your private prayer before the Blessed Sacrament.

This Sunday and for the next four Sunday's we interrupt our regular reading from St Mark's Gospel to read Chapter 6 of St John's Gospel on Eucharist. John's Gospel does not have an account of the institution of the Eucharist. But Chapter 6 of John's Gospel contains Jesus' teaching about himself as the bread of life. It is an opportunity for us during this summer time, to reflect on what the Eucharist is and what it can be in our life. The church teaches that Eucharist is "the source and summit of the Christian life". Catechism of the Catholic Church teaches us that sacraments are actions of Christ and brings saving grace, but the Eucharist is Christ himself, the author of grace. If you would like to spend some time in the Lord's real presence before the Mass, the blessed sacrament will be exposed from 9 am during the week and 5pm on Saturdays.

I would like to say a special thanks to John, Mike and all the stewards for helping us keep church open and ensure that we are keeping clean and safe.

Following changes made this week and a statement issued by the Catholic Bishops of England you will find a Step 4 Guidance notes attached to this e-mail. Please do take time to read it through.

Received from a parishioner this short prayer for our parish:

Adapted from the words of Pope Francis

Let us invite Jesus into our parish life.

Let us hand over our fears to Him who can conquer them.

Like the disciples we will discover with Him on board our life-boat
there will be no shipwreck.

He brings serenity into our storms, because with God life and love
never die.

May it always be so for our parish.

In Jesus' name Amen.

Welcome: Today we hear how Jesus performed a miracle – feeding at least 5000 people with five loaves and two fish. Let's think a bit more about this now....

Opening prayer: Christ Jesus, you blessed the bread and broke it so that all had enough to eat. Bless the food we eat today and encourage us to share it, so that around the world, everyone may have enough. Amen.
